Plant security regulations allow visits by U. S. citizens only. Each tour organizer is requested to provide, in advance, a list of names of the visitors who will be on the tour, including a statement affirming that each individual is a U. S. citizen. This list should be received by the museum no less than seven (7) days prior to the scheduled tour date. No new additions can be made to the list after that time.

Visitors must be at least 10 years old. Children must have an adult escort. Cameras, recording devices and camera enabled phones and watches are not permitted on the premises. Visitors must present picture identification upon entering the main gate reception lobby.

Please enter the plant at the main gate reception lobby at 401 E. Hendy Ave. (approximately mid-way between Sunnyvale and Fair Oakes Avenues, where the railroad spur track crosses Hendy Ave.) Visitor parking is provided along Hendy Ave. or in the designated visitor spaces, in the common parking lots on either side of the main gate.
